

Forget Me

Piano&Vocal

Lewis Capaldi/
note-store.com

♩ = 100

Days_ ache_ and nights are long Two years and still, you're not
gone_ ah Guess I'm still hol-ding on Drag my name through the dirt
Some- how, it does-n't hurt though ah Guess you're still hol-ding on You
told your friends you want me dead And said that I did eve-ry-thing wrong And you're not wrong
